

## Christmas Stocking Instructions

Take one patterned and one lining.  
With right sides together sew across the  
top of the stocking. Press seam open.

Open out and place right sides  
together adding ribbon on heel side  
at top of patterned side.

Sew the two pieces  
together leaving a gap on  
the foot base of the liner  
for turning - shown  
between heart pins.

Clip outer curves and notch inner curves to aid turning. Press seams open and turn.

Press and sew gap at foot base of lining.

Turn to push liner inside patterned outer.
